- ii) Replacement of waste bins – The new bins have now been installed.
- iii) Signs and other methods to attempt to reduce speeding through the village – A note was put out in the newsletter asking for volunteers to take part in Speedwatch. There have been no volunteers so Speedwatch will not be able to go ahead. This item is now closed.

45. Report from District Councillor - A lot of villages are concerned about the proposed Eurogarages development on the M40 roundabout. There are still traffic reports coming in for this. Local Plan part 2, which may say where there will be rural housing, will come out in spring next year. As Claydon is considered a satellite village to Cropredy it is possible that someone will put forward an application to build houses in Claydon.

46. Report from County Councillor - The Oxford tip is staying open for 7 years but is now charging to receive certain types of waste. If any salt bins need topping up the council should let Paul Wilson know and he will arrange for them to be filled.

- i) The Village Green – The building works have been completed and there are no longer issues with parking on The Green.
- ii) Blue Brick Path - Item to be removed from ongoing items.

- iii) To consider the first draft of the budget for the financial year 18/19 – The councillors discussed the budget for next year and made the following decisions in relation to the budget:
 - To increase the budget for the clerks salary to £2250 to allow for a possible pay rise and potential overtime.
 - To put out a notice offering the option to tender for the grass cutting contract with a deadline of the end of December. This will allow an accurate figure for grass cutting to be

included in the final budget. **Action: Cllr Millward to complete a grass cutting map which will be provided to anyone that wishes to submit a tender. Clerk to put out tender notice.**

- The council will not be contributing to the cost of a bus service in 2018/19 therefore the budget will be removed.
